## *ACKNOWLEDGEMENT OF AFFILIATE SUMMIT'S POLICY FOR EXHIBITING WITHIN REVSHARE AVENUE*

---

RevShare Avenue is a designated area inside the Meet Market at Affiliate Summit West 2018.

Exhibition space within RevShare Avenue is expressly reserved for companies that are promoting revenue share affiliate programs only.

For purposes of Affiliate Summit's RevShare Avenue, a revenue share affiliate program is defined as an affiliate program of an online merchant in which the purchase of a product or service from the merchant's website through an affiliate link, results in a commission generated to the affiliate. Lead generation programs and revenue share programs that market lead generation offers are not allowed to exhibit in the area reserved for RevShare Avenue.

If you select a RevShare Avenue location, you acknowledge that if you are found to be marketing lead generation offers or revenue share programs that market lead generation offers, you will be required to immediately leave the event and remove all company materials, without refund.

**By signing this Acknowledgement you understand and agree that you have selected a location within RevShare Avenue. You also understand and agree that neither you nor your company will promote lead generation programs and/or revenue share programs that promote lead generation offers. You further acknowledge and agree that if Affiliate Summit determines that you have violated this policy, you will be required to immediately leave the event and remove all company materials, without refund.**
